KIDS CARE TEACHERS NEEDED

Sunday Morning

We provide kid's care during Sunday morning service each week. This is for children beginning with potty-trained age - age 7. It is a service to parents as well as to the children who like to play and socialize with other children.

The Caregiver usually will do a simple craft and lead the children in a prayer and/or a song. It requires no lesson planning and is on a rotating schedule (usually once a month). There is a young person assigned to help each week.

We also need help in the Children's Ministry on Wednesday Nights.

If you are interested in this important Ministry, please text, call, or talk to

To my Church Family,

I thought I would write a note in place of having a service for Bud:

Bud and I have been members of LDPB Church for 24 years. Bud was a loving, caring, and kind person. He helped anyone who needed help- whether that be work or just a smile and a handshake. One of his projects was providing the railings around the premises of this church.

Bud and I were married for 68 wonderful years. I couldn't have asked for a more loving and caring time. We had four children: two adopted and gave birth to two, and they were all 2 years apart. Our children all had respect and love for their Dad. We went camping a lot and saw a lot of country.

Bud was a very talented person. He could and did make about anything he wanted out of wood or metal - like doll cradles, rocking horses, toy boxes, stools, the list goes on and on.

Bud was also respected for his supervisor work for a sheet metal firm.

Our children and myself had a great respect and love for Bud, and he is greatly missed by each and everyone of us, but we are happy he is now with God.
