**Prayer Request From Payton & Grace  
Our Missionaries in Talibo**

New Worship Music in the Taliabo Language.

I have a friend from the city, Matt, whose ministry is to help churches in creating and publishing New Worship Music in local languages. Please be in prayer for the workshop that begins Sept. 15th and goes until the 19th. The idea is to have about 25 folks attend, hopefully a range of older, younger, men, and women. We are excited about new songs oriented towards kids... I believe the whole teaching efforts towards the kids here would really be rounded out well with some new songs.

There are lot of little things that can potentially derail the thing, so please pray for things like:

1. People would understand their roles while the workshop is going on.
2. People coming in from afar won't be held up by flooded rivers.
3. Those supporting it through providing food would run on time.

Thanks for all your prayers for our ministry!

Give, and it will be given to you; a good measure—pressed down, shaken together, and running over—will be poured into your lap. For with the measure you use, it will be measured back to you."
